25X1

25X1

Caserne Area of [] "Gds Rifle Regt", [][] Arty Regt and Other [] Units in STANISLAV

25X1

Just before [] group left, about 20 inductees still wearing civilian clothes arrived at the caserne. They were spread among the regiment and were integrated into the training program of the particular unit without any prior basic training.

25X1

[] Gds Rifle Regt []
 and the [] Arty Regt trained annually a group of inductees []
 only during the fall demobilization period. []
 such personnel were shipped out to Germany and Austria and that the regiment satisfied its own replacement needs in the manner mentioned above.

LEGEND:

25X1

1. Regimental Hqs, medical section and other unknown headquarters units.
 A 2-story brick and stucco bldg, 40 x 20 m.

2. Main Entrance to Caserne. It was guarded by a small wooden guard shack.

25X1

3. One 40 x 20 m stone bldg partially 2 storied, the remainder consisting of a partitioned area with a high ceiling. The bldg was used as a collective warehouse for all the regimental supply organizations.

25X1

4. & 20. Wooden Field Latrines. There were no latrines in any of the buildings.

25X1

5. Two barracks bldgs, 50 x 15 m. One story brick and stucco.

6. Motor and Weapons park. At each end of the parking area was a simple garage with a simple wooden roof but with no sides except for roof supports.

7. One 30 x 20 m high ceiling stone bldg. This was used for storage.

8. Gymnasium. A 50 x 30 m, high-ceiling, stone and stucco bldg. Contained all kinds of physical training equipment.

9. One 2-story, 25 x 15 m, brick and stucco bldg. Housed the regimental school. This school remained in the caserne during the entire period [] basic training.
